DOZENS MARCH FOR CLOSURE CAMPAIGN

HUNDREDS of people from across Havering and Redbridge marched to protest against proposed NHS cuts on Friday.

The campaigners, who were of all ages, all walks of life and all political

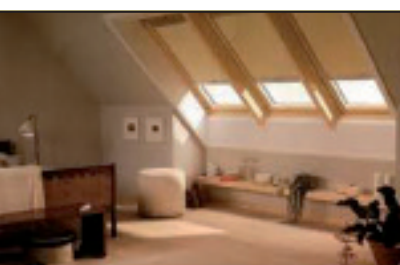

views, were taking a stand against plans to get rid of Accident & Emergency and Maternity units at King George Hospital, in Goodmayes.

Activists are concerned the closures will lead to overcrowding at Queen's

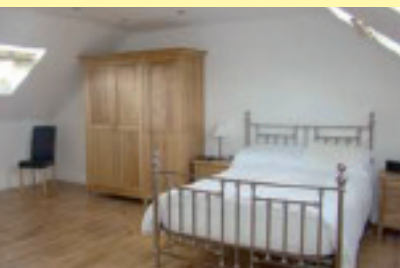

Hospital, in Romford, and potential loss of life.

The route of the march went from Queen's to Redbridge Town Hall.

Heritage project

A NEW project that celebrates the heritage of Barking Park has been awarded a £46,400 grant from the Heritage Lottery Fund (HLF).

The scheme, entitled Memories of Barking Park, will last for 14 months and get the community involved in developing a photographic and oral history archive of the Victorian green space.

For more information, contact Andy Johnson on 020 8270 6269.

Family evicted

A FAMILY will be evicted from their home because their son terrorised an estate.

Romford County Court granted the possession order on Monday and also imposed anti-social behaviour orders (ASBOs) on Elvis Doci, 18, Stephen Imevbore, 18, and Fatou Ramadani, 19 of Althorne Way, Dagenham.

Doci's family has until May 3 to hand their keys to the council, otherwise a warrant will be obtained for their removal.

Remember Bobby

TWO events are taking place to celebrate footballing legend, Bobby Moore.

The celebrations will take place at Eastbury Manor House to celebrate what would have been his 70th birthday.

A talk about his life, entitled Bobby Moore 1941-1993: Peerless Prince of Football, will be held at the house on Wednesday, April 20, at 7.30pm.

A small exhibition of photographs will also be on display until the end of May.

Barking to become new haven for bees

By Martyn Dolton

A NEW wildlife haven for bees is to be created in Barking.

London Wildlife Trust has been awarded £9,400 worth of funding from The Big Lottery Fund to build a specially designed 'bee friendly' wildlife garden at Barking Riverside.

The garden will include habitat features that will attract and support the declining bee populations, in particular the rare brown-banded carder bee.

The project, called 'Backyard Bee', will offer free workshops on bee-friendly gardening for Barking and Dagenham residents.

Barking Riverside already supports 37 different species of native bees and bumblebees out of a total of 254 species in the UK.

Conservation officer Francesca Barker said it was 'fantastic news' for the local area.

She added: "Unfortunately, our native bees are in decline. The cause of this is believed to be due to habitat alterations in our landscape, climate change and intensified farming methods.

"The good news is that we can all do something to reverse this decline by creating some bee-friendly habitat in our own gardens. This project will help us boost the population of bees in the area."

To give residents a helping hand, London Wildlife Trust will be running regular workshops on wildlife gardening at Barking

Charity boost

MORE than £3,000 has been raised for Help for Heroes by Barking and East London Round Table.

The money was handed over to the Mayor, Councillor Nirmal Singh Gill, who will pass it on to Help for Heroes - his chosen charity.

The money was raised at last year's annual fireworks display.

St George's Day

A RANGE of activities are taking place next weekend to celebrate St George's Day.

The event will be celebrated with a family fun day on Saturday, April 23 at Valence Park and the grounds of Valence House.

As part of the event, there will be plenty of singing, dancing and other festivities including a treasure hunt, face painting and medieval hat making.

The fun will take place from 11am-4pm. For a full schedule, visit www.lbdd.gov.uk

Ready to vote?

RESIDENTS wanting to vote in the national referendum about the alternative vote system are being advised to check where their local polling station is.

It comes after a number of stations have moved in the borough from last year.

Voters are being urged to check before they set off to avoid turning up at the wrong venue.

A list of polling stations and information on the referendum is at www.lbdd.gov.uk

GREEN: Chris Howe, Emma Tuckey and Adam Lloyd walk in Barking Park.

Picture by Roy Tillett

Go for a stroll

By Martyn Dolton

NOW the weather is improving, Barking and Dagenham park rangers are laying on guided walks in the borough parks.

The free guided walks will be spread across five of the borough's green spaces and will take place on various dates between now and June.

The walks aim to give people the chance to relax and unwind and discover nature on their doorstep.

Park ranger Emma Tuckey said: "We've got some beauti-

ful parks and green spaces in the borough and they look fantastic during the spring and early summer period.

"These walks are something completely different so even if you know the parks well, they will help you to see them in a new light.

"Joining a walk is a great way to get the benefit of our rangers' expert knowledge, and best of all, they are completely free and no booking is required."

You can get more information about the walks by calling Heidi Mansell, senior commu-

nity ranger, on 020 8595 4155.

Anyone with special access requirements can also contact Heidi and necessary arrangements will be made.

The walks are for adults only.

The next walks are taking place at Old Dagenham Park from 11am to noon, and 6pm to 7pm on Tuesday.

Those taking part should meet in front of the old pavilion.

Another is being held at Greatfields Park from 11am to noon and 6pm to 7pm on Tuesday, April 26, meeting by the willow sculpture.

FOOTBALL HERO: George Cohen says get checked out.

World Cup winner backs bowel cancer campaign

BOWEL cancer survivor and 1966 World Cup winner, George Cohen, launched a new bowel cancer awareness campaign in Redbridge.

The disease is the second most common cause of cancer death in the UK.

The NHS campaign, called 'Bowel cancer, know the signs', has been launched as local research shows a severe lack of awareness about the disease, locally.

The number of patients who survive more than a year with bowel cancer in Redbridge lags behind most of Europe.

Health bosses say the key to improving survival rates is to

catch the disease early, when 90 per cent of cases can be treated.

The disease is most common in people over 50 and across the London boroughs of Barking, Havering and Redbridge, about 200,000 people fall into this age bracket.

Symptoms include bleeding from the bottom and persistent looser stools or diarrhoea.

Mr Cohen said: "Having survived bowel cancer, I realise the importance of knowing the signs and not being embarrassed to talk to your GP."

"Bowel cancer killed my team mate Bobby Moore at 51 years of age - a tragedy that

may have been avoided if there had been greater awareness across society."

Dr Eric Saunderson, Havering GP and medical director of NHS Barking and Dagenham, said: "It is worrying that less than one in 10 local people know that a change in bowel habit could be a sign of bowel cancer."

"We hope our campaign and events will encourage people to see their GP as soon as possible if they have symptoms."

The campaign will run until July and is being delivered by NHS Barking and Dagenham, NHS Redbridge and NHS Havering.

London 2012 news round-up

Shortlist of bidders to take on Olympic Village unveiled

By Martyn Dolton

THREE companies have been shortlisted to take over the Olympic Village after the 2012 Games.

Delancey & Qatari Diar, Hutchison Whampoa Limited and Wellcome Trust are the final three companies that will bid for the contract.

After the Games, the Village will consist of 2,818 new homes, education and healthcare facilities, new parklands, public squares and open space.

The Olympic Delivery Authority (ODA) owns 1,439 homes, which will

become private housing, along with six future development plots in the village with the potential for a further 2,000 new homes.

ODA chief executive, Dennis Hone, said: "The quality of the three shortlisted parties is a vote of confidence in the Olympic Village, demonstrating both UK and international interest in first-class British property."

"The Village will deliver the best of city living all in one place with high-quality new homes joined by education and healthcare facilities, new parklands, public squares and

open space. "Securing best value and the best legacy owner for the Village will be key." A final decision on

the purchaser is expected to be made in the summer.

Any proposal would have to be approved by

Government and demonstrate value for money returns against the public investment made in the Village.

Olympic carbon-cutting scheme announced

A NEW carbon-reduction scheme is being introduced around the Olympic Park.

The Olympic Delivery Authority (ODA) will invest more than £1million in carbon reduction measures for local housing and schools in four of the host boroughs.

This will include installing low energy lighting, insulation, and standby switches.

The project is based on the Mayor's RE:NEW scheme.

The ODA will be working with the Mayor's office to build on this scheme and extend energy efficiency measures to schools around the Park.

The ODA has also submitted a planning application for PV cells to be installed on the Media Centre to generate renewable energy to the Park.

These cells will mean that around nine per cent of the Park's energy will come from renewable technology after the Games.

FESTIVITIES: St George's Day celebrations in London last year. Picture by Hayley Madden

London to mark St George's Day

TENOR, West End star and Top 10 recording artist Alfie Boe and platinum selling musician Newton Faulkner will be the special guests at this year's St George's Day celebrations.

The event, in Trafalgar Square on Saturday, April 23, has been organised by the Mayor of London.

Alfie Boe, who is returning to Les Miserables later this year with Matt Lucas, will lead a celebration of London's musical theatre.

The free event will also provide an exclusive preview of Newton Faulkner's new material.

There will be a Rhythm of London showcase offering the opportunity to hear new and emerging talent - and the potential stars of the future.

Also taking to the stage will be TV and musical star Lara Pulver and West End star Matt Rawle, as well as Annalene Beechey and Tam Mutu.

Rising young band The Theory of 6 Degrees will be among the Rhythm of London highlights. The youngest band ever to have played at Glastonbury, their guitar-based pop is gaining them much attention.

Rhythm of London Busking Underground winner Jamie West will be making a welcome return to Trafalgar Square to mark the release of his latest EP, Walking the Movies. The afternoon will also feature young singers and musicians from across the capital.

Boris plans a raft of new improvements

THE Mayor of London has said he will continue programmes to create jobs and help the environment.

Boris Johnson announced he would be working with the London Development Agency to spend the £116.5million set aside for the schemes.

These include expanding the East London Green Grid parks scheme, the RE:Fit programme, which makes public sector buildings more environmentally friendly, and funding to help make homes across the capital more carbon efficient.

The Mayor said he thought the investments represented 'a canny approach to the use of public funds'.

He added: "As a result of this activity, London is being transformed into a greener, cleaner, world-leading low carbon city with new jobs and enterprises."

Mr Johnson's environmental advisor, Isabel Dedring, wants to combine good business with green activities.

She said: "We are focused on drawing into London global business partners and funding from Europe so we can deliver massive green job opportunities."

WORLD RECORD BREAKER: Redbridge's Fauja Singh.

Turban tornado

HE IS known as the turbaned tornado - and rightly so.

At the tender age of 100, Ilford's very own marathon man has not only received his telegram from the Queen, but created a new world record for centenarian long distance running.

Vegetarian Fauja Singh created a new world record after completing the Tessa Sanderson 10k run in Newham on Sunday.

He completed the run in 83 minutes, 43 seconds.

Fauja communicates through his friend and running trainer, Harmander Singh, as he does not speak English.

Harmander explained: "We have been told that Fauja's entry should be put into the world record books in six or seven weeks' time. Fortunately, the Tessa Sanderson run is an accredited race."

"This is a very exciting time for him, getting his telegram, too."

"People always ask what's the secret to remaining so well at such a good age, and Fauja says he is a vegetarian who keeps fit. He doesn't really take any tablets or anything."

Harmander is no stranger to marathons himself, having completed 27 London Marathons and 27 Great North Runs, raising £60,000 for charity in the process.

If you would like to take advantage of training in Redbridge or Newham, call Harmander on 07958 946868.

To comply with the Business Advertisements (Disclosure) Order 1977, Trade Advertisers must make it clear that they are selling goods in the course of business either by content, format, size or place of the advertisement or by including words such as 'trade', 'dealer', 'agent', 'wholesaler', '(T)' etc. in the advertisement.

- The Publishers accept no liability whatsoever for any loss or damage however caused arising out of:

- Any error, inaccuracy or omission in the printing or publishing of any advertisement;
- Any failure to publish an advertisement on the day / date or day / dates specified by the advertiser; or
- Any delay in forwarding or omission to forward replies to box numbers to the Advertiser.

- The Publishers will endeavour to publish advertisements on the day / date or day / dates specified by the Advertiser but insertion days / dates cannot be guaranteed.

- Where shrinkage of advertisement occurs for whatever reasons the advertisement will be charged to the nearest full centimetre. This will NOT apply to the full-page advertisements, which remain full pages even after shrinkage.

- The Publishers reserve the right to reject an advertisement or to vary it in any way they deem fit, at any time before publication, whether or not the advertisement has been accepted for publication.

- Whilst every effort is made to minimise errors in advertisements, mistakes do sometimes occur. Advertisers or their agents should therefore check their advertisements and inform us of any errors immediately. Responsibility cannot be accepted for more than one incorrect insertion. Typographical or minor changes, which do not affect the value of the advertisement, do not qualify for republication or allowances.
- All gross advertising rates (except classified lineage and semi-display) are subject to and include a 0.1% Advertising Standards Board of Finance surcharge, payable by the advertisers to help finance the self-regulatory control system administered by the Advertising Standards Authority.

- All rates quoted are subject to VAT at the rate currently in force at the time the advertisement appears.

- Should the rate for advertisements be altered the price for remaining insertions shall be revised accordingly or the publishers shall have the right to cancel the unexpired portion of the order.

- The placing of an advertisement order will be deemed an acceptance of these conditions.

- Account facilities are granted at the discretion of the Company.

- All accounts must be settled within the terms agreed by the Company and the Customer.

- (1) Should an advertiser be in breach of the agreed terms, the publisher shall be entitled to levy a 10% surcharge on the value of the whole debt in respect of accounts with terms of less than 30 days, and any discounts or commissions that had been allowed will be reclaimed.

- (2) Regular monthly accounts that are in breach of the agreed terms will pay an interest rate of 6% above the current bank of England base rate for each month that the account is overdue and discounts or commissions that had been allowed will be reclaimed. Should Legal action be required the interest will be charged in accordance with the County Court Act 1984.

- Where an advertiser instructs / appoints an advertising agent to act on their behalf, the advertiser will remain jointly and severally liable for payment in respect for an advertisement(s) should the appointed agent fail to pay. For the avoidance of doubt, the agent acts for the advertiser and not for the publisher with the agent being responsible for notifying the advertiser of this liability.

- All queries must be notified, preferably in writing to the accounts department of the publisher within 7 days of the invoice date.

- All digital services are maintained in partnership with the publishers' hosting service providers. Every effort is made to ensure the continuity of these services, but some occasional technical downtime beyond the publishers control may occur. The publisher and its associated companies shall be under no liability if the production and distribution of web services is delayed or prevented by any cause beyond the control of the publisher.

- The Publisher may provide voucher copies for published advertisements in electronic form only subject to certain criteria. Further information is available on request.

Dagenham & Redbridge

Daggers close to upset

DAGENHAM & Redbridge nearly became party poopers at Brighton on Tuesday night but their 4-3 defeat instead saw the hosts promoted to the Championship.

The Daggers took the lead twice in a match which swung this way and that, but they failed to spoil Brighton's promotion party.

John Akinde opened the scoring on 25 seconds for the Daggers, but Inigo Calderon equalised and Glenn Murray put the Seagulls ahead.

Goals from Jon Nurse and Danny Green put Daggers 3-2 up, but Brighton hit back through Liam Bridcutt and Ashley Barnes.

The defeat also meant Daggers had failed to take advantage of their game in hand, but they remain a point clear of the relegation zone in 19th.

Leyton Orient

Play-off blow for O's

LEYTON Orient's play-off hopes took another dent after being held to a goalless draw by mid-table Carlisle on Tuesday night.

Orient had keeper Jamie Jones to thank for keeping his side in the game with a string of world-class saves, as the east Londoners wasted another chance to put maximum pressure on top six hopefuls Bournemouth and Rochdale – who surprisingly beat last Saturday's victors, Southampton, 2-0.

A philosophical Orient boss, Russell Slade, admitted: "It feels like it's two points dropped tonight. It was one of those end-to-end games where it could have easily ended 5-4 to someone.

"It's been a long old season. I was speaking earlier to Alex Revell and he's played 47 games – and he's not done that many in the last two seasons. We're on 61 points now and we want to get to 71 – that's the aim – and we'll keep lifting that bar."

Devils ousted at a cost

Ice Hockey

ROMFORD Raiders moved on to the English National League playoff semi-finals following a 12-6 aggregate win over the Cardiff Devils.

The Raiders will face Essex rivals the Chelmsford Chieftains in the semi-finals this weekend without star scorer Juraj Huska after the Slovakian's match penalty on Sunday ruled him out of the first leg.

Huska's hat-trick proved the

difference on Saturday as the Raiders worked hard to earn a 6-3 win at Rom Valley Way.

Player-coach Danny Marshall scored twice on his return from injury, while Jason Buckman and captain Anthony Leone sat out one-game suspensions earned during last weekends win over the Invicta Dynamos.

AJ Smith was given a match penalty after retaliating against a pair of missed high-stick calls that saw Smith bloodied and missing a tooth.

Buckman and Leone returned to the side for Sunday's second leg in Cardiff, Huska notching four more goals as the Raiders picked up their second 6-3 win of the weekend in a bad-tempered affair.

JJ McGrath will miss the first leg against the Chieftains after amassing too many penalty minutes, though it's Huska's absence that will test Raiders the most against their fierce rivals.

Rugby Union

Barking's late comeback

BARKING produced one of the comebacks of the season beating Launceston 25-29 in National League One on Saturday.

The Eastenders found themselves 25-10 down with 15 minutes to go but they dug in to keep their promotion hopes alive, remaining one point behind London Scottish.

Southend could not do anything to stop promotion contenders Jersey, losing 33-6 in National League Two South.

Westcliff showed why they are the class of London One North with a crushing 14-89 victory over Woodford, who dropped to the bottom. Chingford's run of losses continued, going down 22-43 to Letchworth Garden City, while Thurrock were edged out 35-37 by second place Sidcup.

Brentwood look safe after winning 17-25 at Ruislip, while Eton Manor suffered a disappointing 28-20 defeat at fellow strugglers Stevenage Town.

Rochford Hundred remain top of London Two North following victory over Enfield Igantians 46-12. They are just a point ahead of Baintree who ended Chelmsford's good run of form with a 50-5 victory.

Romford & Gidea Park stay third after seeing off Canvey Island 36-22.

It is a similar story in London Three North East where Basildon have a point lead over Lowestoft & Yarmouth. Basildon did what they had to do, brushing aside mid-table South Woodham Ferrers 10-75.

Wandsworth lost 38-15 at third place Norwich while Bancroft beat bottom side Mersea Island 54-5 and nothing could separate Upminster & Campton, who drew 21-21.

West Ham United

Irons lose to Wanderers

WEST Ham United remain in the Premier League relegation zone after Bolton Wanderers brushed them aside 3-0 at the Reebok Stadium on Saturday.

A double from Dean Sturridge and a Lee Chung-Yong header did the damage for the Irons who never recovered from a poor first half showing.

Hammers boss Avram Grant said: "We should feel low because we lost a very important game and like myself, the players should be frustrated and unhappy.

"But this should give us energy and make us stronger for our next game against Aston Villa. We will learn from this."

A disappointing day for Avram Grant's men, who will look to bounce back when they host Aston Villa on Saturday at 3pm.

Clarets back in the play-offs, while Thurrock suffer loss

Non-League Football

CHELMSFORD City leapt back into the Blue Square South play-offs with a 3-1 victory over Staines Town on Saturday.

City sit in the final play-off spot, a point ahead of Dover.

Thurrock remain three points above the relegation zone despite losing 3-1 at Eastleigh.

Canvey Island hold a play-off

spot in Ryman League Premier, winning 1-0 at bottom side Maidstone United to keep them fourth.

Concord Rangers remain just outside their play-off places following their 2-0 win over Horsham.

Billerica Town's Tony Boot headed home the winner two minutes after the break to beat Aveley 1-0, and keep them in the play-off hunt, while Aveley remain in trouble.

AFC Hornchurch are four points adrift of the play-offs in 10th place, but did all they can by beating Carshalton Athletic 4-0.

East Thurrock United took a big step towards the Ryman League Division One North crown with a 2-1 win over fellow contenders Needham Market on Saturday.

Brentwood Town are three points away from securing a play-off spot after beating Romford 2-0.

Tilbury lost 1-0 to play-off hopefuls Harlow Town through Steve Ferguson's 15th minute goal.

Waltham Forest remain six points adrift at the bottom but did well to comeback from 3-1 down to draw 3-3 at AFC Sudbury.

Heybridge Swifts won 4-1 over Redbridge, while Grays Athletic won 2-0 at Thamesmead Town.

Waltham Abbey won 2-1 over Great Wakering Rovers.

Things are looking good for window firm after top award

The above picture is Mr Elliot receiving the FMB Award for 2006

A HIGHAMS Park company has beaten hundreds of other hopefuls to be named London's best conservatory creator. The East London Window Company in

OVER THE MOON: (From left to right) FMB President David Croft, TELWEC, happy customer Rose Moreland, boss Eddie Elliot and London FMB President Nigel Pound.

Winchester Road, won the London regional heat of the Master Builder of the Year awards, run by the Federation of Master Builders (FMB), the construction trade association. Judges called the company's entry a perfect example of the extra space you can achieve with even a small conservatory. Boss Eddie Elliot, 44, said "We're absolutely over the moon, as double glazing companies don't usually win anything. The competition was

intense and we're not a national company or even a regional company. "In fact 80 per cent of our work is done in Waltham Forest. "I've always known we do good work but winning an award is tremendous." All the winners in the awards are nominated by satisfied customers and the company that scoops the top Master Builder of the Year prize will win a new Nissan van and a £3,000 holiday of choice. London regional director of the federation Laura

Hayes said: "The Master Builder of the Year awards is our response to all those bad builder stories. Delighted home owners have provided us with details of builders who have given them high quality workmanship and great standards of service." The company is now invited to Warwickshire for the finals on September 8 which will be presented by Sarah Beeny of Channel 4 Property Ladder.
